*The % Daily Value tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Directions: Mix 1 scoop (29g) with 6-8 fl oz of your favorite beverage with a spoon, shaker or blender. ISOPURE® protein powder can also easily be mixed in with your favorite foods to help meet your daily protein needs.

Suggested Use: For healthy adults, consume enough protein to meet your daily protein requirements with a combination of high protein foods and protein supplements throughout the day as part of a balanced diet and exercise program.

INGREDIENTS: Whey Protein Isolate, Soy Lecithin.

Contains: Milk and Soy.
