

SUGGESTED USE: Take 1 lozenge daily, or use as directed by your healthcare practitioner. Lozenge may be broken into smaller pieces if lower dosage is desired.

Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

STORAGE: Keep closed in a cool, dry place out of reach by children.

Active Folate combines pure non-racemic L-5-MTHF, the active coenzyme form of folate, with calcium folinate (folinic acid) to provide a potent dose of bioavailable folate in each naturally flavored lozenge.[†]
