

SUGGESTED USE: 1 scoop (approx. 5 grams) once daily or as directed by your health care professional. Mix in water or juice and take with or between meals.

D-Ribose is a naturally occurring five-carbon (pentose) sugar found in all living cells. D-Ribose is only found in small amounts in the diet. The body must synthesize D-Ribose from glucose.

Do not use if full-bottle shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light. Keep out of reach of children.

This product was made in a GMP and ISO 9001:2008 registered facility.
