Free of the following common allergens: milk/casein, eggs, fish, shellfish, tree nuts, peanuts, wheat/gluten, corn, yeast, and soybeans. Contains no artificial colors, flavors, or preservatives.

Suggested Use: 1 tablet daily with food.

This product provides pure niacin in a sustained-release matrix that releases slowly over several hours. Slow release of niacin helps avoid the uncomfortable flushing action of this B-vitamin that may occur when high-potency amounts are ingested.

Do not use if full-bottle shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light. **KEEP OUT OF REACH OF CHILDREN.**

This product was made in a GMP and ISO 9001:2008 registered facility.
