this bottle is SLS- and TOX-free.

PRO000146 Rev. 04/2002

This bottle contains trillions of stable, perfectly balanced Redox Signaling molecules - the same molecules that exist in all human cells. Redox Signaling is a natural function that is essential to all life, enabling and enhancing health on a cellular level. ASEA® is the world's first and only stable Redox Signaling supplement.*

This product contains trace amounts of essential natural chlorine derived from a patented redox balanced process. A slight chlorine odor and taste is normal and safe. **WARNING:** Pregnant or nursing women should consult a physician before using.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
