Dear Body,

I know I often compare you to what's on tv and in super photoshopped ads but today I commit to having the strength to be my best. Yeah, that's right, not anyone else's best but my own. Because this world tries desperately to make us feel unworthy and not good enough, but my self worth isn't

determined by others. I will celebrate both your toned and your squishy parts. I will work out because I love you, not because I hate you. I will give you the nutrition you deserve. Superior quality, whole food

nutrition. Human food chain nutrition because, well, I am human after all.

Now let's cleanse, balance and energize the healthy way!

Sincerely,

Self
