Improper use will not improve results. **KEEP OUT OF REACH OF CHILDREN.**

Dietary Supplement
60 Capsules

Recommended Use:

As a dietary supplement, take 2 capsules with 8 oz. of water approximately 30 minutes before breakfast or your first meal. Please read the entire label before use and follow the directions. For maximum cognitive enhancement, take 2 capsules with 8 oz. of water approximately 30 minutes before mental activity, with a minimum of 4 hours apart from your previous serving. Do not exceed 4 capsules in a 24-hour period.
