Put Some Spring In Your Step!

Arthocin® effectively supports the cushioning collagen and healthy cartilage structure in joints throughout the body to optimize comfort and mobility. That means more strength and flexibility where you need it.*

Comfort and Mobility, Every Day

Every ingredient in **Arthocin®** helps you support your joints—all the way from your head to your toes—for comfort and mobility every day:

- **Curcumin:** The *only* clinically studied curcumin extract with turmeric essential oil for enhanced absorption, better blood retention, and greater benefits overall. It is a key ingredient, clinically shown to support joint comfort and function.*
- **Boswellia:** This unique boswellia features up to 10 times higher levels of AKBA than plain boswellia. It has been shown to support joint health, flexibility, and comfort.*
- **Devil's Claw:** This special, standardized extract has been shown to support joint lubrication. In a scientific study, it increased hyaluronic acid synthesis in chondrocytes—the collagen-producing cells in cartilage—by an average of 41%!*
