Reduce Your Risk of Oxidative Damage

Cell Protection for:

- Brain
- Heart
- Breast
- Colon
- Liver
- Prostate*

It may be silent, and you can't feel it, but oxidative stress can damage the blueprint inside your cells (DNA). You need powerful compounds to fight back. But in order to work, they must be effectively absorbed. **BCM95®+OPC™** features 3 full-strength ingredients with proven absorption and efficacy that can provide life-changing benefits:

- **BCM-95® Curcumin**—up to 10 times the absorption and greater blood retention time than plain curcumin
- **High-OPC French Grape Seed Extract**—contains low molecular weight, tannin-free OPCs for high absorbability
- **Turmerones from Turmeric Oil**—turmerones (standardized to 60%) provide beneficial compounds for cellular health not found in standard curcumin*

This effective formula provides the targeted cellular protection you need to support healthy aging and reduce the risk of oxidative damage. It's the natural choice to promote overall well-being, every day.*

SUPPLEMENT FACTS

Serving Size: 2 Softgels
Servings Per Container: 30

Amount Per 2 Softgels:	%DV
Proprietary Formula	575 mg **
Curcumin (<i>Curcuma longa</i>) Rhizome Extract (BCM-95®) enhanced with turmeric essential oils and standardized for curcuminoid complex (curcumin, demethoxycurcumin and bisdemethoxycurcumin), French Grape (<i>Vitis vinifera</i> L.) Seed Extract standardized to contain ≥ 99% polyphenols and ≥ 80% OPCs, Turmeric (<i>Curcuma longa</i>) Rhizome Oil extracted by supercritical CO ₂ technology and standardized to contain ≥ 60% total turmerones
