

WHAT IS PROTOGEN?

Proteogen contains 4 ultra-premium protein sources and clinically researched AMINOGEN®, a revolutionary patented enzyme system that helps your body break down and digest protein faster and much more efficiently.* AMINOGEN® helps maximize the amount of amino acids released from protein in foods and supplements, allowing you to absorb more muscle-building amino acids.*

**WHAT IS IN PROTOGEN?**

Proteogen's Synergistic 4-Stage Ultra-Premium Blend features fast, medium and slow acting protein sources.

- WPI or Whey Protein Isolate is the first ingredient in Proteogen. WPI is a fast acting protein source that has gone through an ultra-filtration process, removing unnecessary fats, carbohydrates, cholesterol and sugars.
- Micellar casein is a very slow digesting protein source that slowly releases amino acids over several hours, in turn helping to reduce the breakdown of muscle tissue*
- Milk protein isolate is an easily digested, slow release protein source.
- Egg albumin is a highly bio-available protein source that contains high amounts of branched chain amino acids.
- Studies have shown AMINOGEN® will release significantly more amino acids from your protein when used at 50 mg per gram of protein, which is the exact dose in Proteogen.

This product was produced in SQF Certified Facility No. 104896 and exceeds GMP standards. Good Manufacturing Practices, or GMPs, are a set of standards which ensure the purity and proper labeling of dietary supplements.

OTHER INGREDIENTS: Protein blend (Whey protein isolate, Micellar casein, Milk protein isolate, Egg albumin), Non-dairy creamer (Sunflower oil, corn syrup solids, sodium caseinate, mono- and diglycerides, dipotassium phosphate, tricalcium phosphate, soy lecithin, locust bean gum, natural and artificial flavors), Cream filled chocolate cookie pieces (sugar, enriched flour (wheat flour, niacin, reduced iron, thiamine mononitrate, riboflavin, folic acid), soybean and palm oil with TBHQ for freshness, cocoa processed with alkali, invert sugar, dehydrated yellow corn flour, sweetener, chocolate, salt, leavening (baking soda, monocalcium phosphate), artificial flavor, soy lecithin, whey), Guar gum, Acesulfame potassium, Sucralose, Lecithin, Silicon dioxide.

ALLERGEN WARNING: Contains MILK, EGG, WHEAT & SOY and is manufactured in a facility that also processes PEANUT

AMINOGEN® is a registered trademark of Triunfo Industries, Inc.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

DIRECTIONS:

Mix one scoop with 6 oz. of cold water. Consume throughout the day to increase your protein intake - ideally before training, after training and before bed.

Do not use as a sole source of nutrition.

Store in a cool, dry place.

Contents sold by weight not volume.

AMINO ACID PROFILE		EACH SERVING CONTAINS	
ALANINE	1544mg	LYSINE	2464mg
ARGININE	960mg	METHIONINE	760mg
ASPARTIC ACID	2560mg	PHENYLALANINE	1260mg
CYSTEINE	432mg	PROLINE	2320mg
GLUTAMIC ACID	5920mg	SERINE	1520mg
GLYCINE	560mg	THREONINE	964mg
HISTIDINE	668mg	TRYPTOPHAN	474mg
ISOLEUCINE	1600mg	TYROSINE	1100mg
LEUCINE	2080mg	VALINE	1680mg

WARNING: Keep out of reach of children. Check with a qualified healthcare professional before taking this product if you are pregnant, nursing a baby, under 18 years of age, or if you have any known or suspected medical condition(s) and/or are taking any prescription or OTC medication(s). California residents: This product contains chemicals known to the state of California to cause cancer, or birth defects or other reproductive harm.
