Directions / Mode d'emploi

Take 1 capsule, 3 times daily, with meals

Cancer treatment and prevention continues to be complex and controversial. We have based this formula on research limited to laboratory experiments, current medical practice, and some anecdotal evidence. However, extensive human clinical trials are required to support the use of this formula for the treatment of cancer. The positive benefits of graviola, a fruit from the amazon rainforest, are confined to in vitro and animal studies; while it remains uncertain whether or not graviola is effective in humans, as clinical trial are necessary, the laboratory results, ...
