

RECOMMENDED USE: Take 1 softgel 3-4 times daily with a meal or as directed by your health care provider.

WARNING: Do not exceed 6 softgels in any 24 hour period. Use only under the advice of your physician if you have a medical condition.

STORAGE INSTRUCTIONS: Protect from heat, freezing or humidity (above 65%) Keep container tightly closed when not in use. Keep out of reach of children.

DESCRIPTION: CLA or conjugated linoleic acid is a naturally occurring fatty acid in animal tissue and food sources, including beef, poultry, eggs and dairy products such as cheeses, milk and yogurt. Supplementation may have a substantial impact on how effectively our body chemically decomposes and deposits fat in our cells. Recent research has shown that use of CLA has proven to be extremely effective in reducing body fat and increasing lean muscle mass.*

SAN products are manufactured under GMP (Good Manufacturing Practices) standards with stringent quality control guidelines. Additionally, each lot produced by SAN is independently tested for purity and potency by HPLC analysis to ensure only the highest quality ingredients in our innovative formulas.*
