**Clinical OPC<sup>®</sup> with Pine Bark**

High potency antioxidants play a role in every function in the body. Your cells depend on these antioxidants to neutralize free radicals for optimal energy production, helping your heart to beat, your eyes to see, and your brain to process information.

Clinical OPC with Pine Bark combines two sources of synergistic antioxidant OPCs that support overall health so you can feel your best.\*

**For Healthy:**

- ✓ Heart and Arteries
- ✓ Eyes and Vision
- ✓ DNA and Mitochondria
- ✓ Cholesterol Balance<sup>†</sup>
- ✓ Focus and Concentration
- ✓ Blood Pressure<sup>\*†</sup>

**Two Powerful Ingredients,  
One Amazing Formula!**

Grape seed and pine bark extracts are two of the most powerful botanical ingredients in the world, and have been well studied and highly regarded for decades. Both contain oligomeric proanthocyanidins (OPCs), health-promoting nutrients that support a wide range of health needs.

This formula combines tannin free **French Grape Seed Extract VX1<sup>®</sup>** and **Pine Bark Extract EP90<sup>™</sup>** to provide a full spectrum of high absorption OPCs for optimal health benefits.\*
