## Results That Matter

Each ingredient in **CuraMed® Breast** is specifically chosen for its unique strength. Together, they provide an unbeatable combination to support breast health.\*

## Nutrients That Matter

The ingredients in **CuraMed® Breast** are chosen especially for their strength and synergy to support cellular health and hormone balance.\*

- **Vitamin D3:** A critical nutrient essential for breast cell health and healthy hormonal response.\*
- **BCM-95® Curcumin:** Clinically studied for intensive cellular protection from oxidative stress, this powerful botanical is blended with turmeric oils and backed by 26 published studies.\*
- **Pomegranate Seed Oil and Fruit Extract:** Combining seed oil, a source of omega-5 punicic acid, and polyphenols from fruit extract, the pomegranate in **CuraMed® Breast** is a dual action nutrient to support healthy breast cells and hormone balance.\*
- **VX1™ French Grape Seed Extract:** This tannin-free OPC extract with 100% absorbable polyphenols supports healthy DNA, hormone balance, and reduces the risk of oxidative stress.\*
