Nutrients That Matter

CuraMed® Prostate provides ingredients that are individually strong on their own. Together, they are an unbeatable team that supports prostate health!*

- **High-Absorption Curcumin:** Clinically studied for intensive cellular protection from oxidative stress, this powerful botanical is blended with turmeric oil and backed by 30 published studies.*
- **Pomegranate Seed Oil Extract:** Pomegranate seed oil offers omega-5 (punicic acid), a powerful nutrient that supports healthy androgen levels,[†] cellular protection, and prostate function.*
- **French Grape Seed VX1®:** This tannin-free OPC extract features 100% absorbable polyphenols to reduce the risk of oxidative stress and support healthy cells and testosterone balance.*
- **Vitamin D3:** A critical nutrient essential for prostate cell health and healthy hormonal balance.*
- **Silybin:** Supports detoxification and prostate cell health.*

CuraMed® Prostate delivers a multitude of benefits for the results you want. It targets three major aspects of men's health—cellular protection, free radical defense, and male hormone balance—for powerful support of prostate function.*
