Studied, Safe, Effective.

- CuraMed's curcumin used in 30 groundbreaking, published studies
- The only patented curcumin with turmeric essential oil containing turmerones
- Superior support for a healthy inflammation response[†]
- Supports liver, brain, heart, and immune health
- Protects cells from oxidative stress and free radicals^{*}
- High antioxidant ORAC value >1,500,000^{**}
- From NON-GMO turmeric grown without chemicals

All ingredients established in human studies for safety and effectiveness. Does not interfere with stomach, liver or kidney function.

Proven Effective

CuraMed® features curcumin combined with turmeric essential oil that supplies turmerones to increase absorption and boost benefits. It is the most clinically studied enhanced absorption curcumin in the world. CuraMed delivers enhanced cellular support activity, better support for healthy inflammation response, and is up to 500 times stronger than turmeric.^{*†A}
