

Calm & Clever is an effective dietary supplement using clinical doses of ingredients shown in human studies to relieve stress, occasional anxiety and support memory recall of words, names and facts, which can be negatively affected by stress and aging.*

Recommended Usage: Take 2 caplets a day with food. Though some users can experience noticeable benefits in as few as 1-2 days, please allow 2-3 weeks to achieve optimal benefits.

Warnings: As with any dietary supplement, please consult your physician before use. This product is not for use by children under the age of 10, or pregnant or lactating women.

Does not contain: Yeast, milk, corn, wheat, gluten, soy, salt, artificial flavorings or preservatives.

* This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
