

I'm a scientist, champion natural bodybuilder, raw elite powerlifter, and physique architect for a long list of pro clients. I thrive on research and results. Because I saw a need for well-formulated supplements that completely cut the BS, I developed my own line that smart lifters could trust: CARBON.

CARBON supplements aren't gimmicky. They're not about hype. They're built on a combination of time-tested research, cutting-edge formulas, and evidence-based doses to help you repair, build, and maximize your muscle growth.

Atlanta, GA 30316

DIRECTIONS:

Mix one scoop of Carbon Build with at least 8-12 fl. oz. of water or the beverage of your choice. Vary the amount of liquid to achieve your desired consistency and taste. Consume daily to help meet your dietary protein requirements.

WARNINGS:

Do not use as a sole source of nutrition. Use this product as a food supplement only. Do not use for weight reduction. Do not exceed the recommended daily dose. Keep out of reach of children. Check with a qualified healthcare professional before taking this product if you are pregnant, nursing a baby, under 18 years of age, or if you have any known or suspected medical condition(s) and/or are taking any prescription or OTC medication(s). Store in a cool, dry place. Concerning California Residents: This product contains chemicals known to the State of California to cause cancer and birth defects or reproductive harm.

This product was produced in a cGMP compliant facility. Good Manufacturing Practices, or GMPs, are a set of standards which ensure the purity and proper labeling of dietary supplements.
