

RECOMMENDED USE: Take 1 capsule up to three times daily with water and preferably with meals.

STORAGE INSTRUCTIONS: Protect from heat and freezing. Keep away from local space heat sources such as space heaters and radiators. Do not expose to direct sunlight or leave in vehicle exposed to sunlight. Do not allow exposure to high humidity (above 65%). Keep container tightly closed when not in use.

DESCRIPTION: L-CARNITINE POWER™ is a modified amino acid that supports cellular energy production by assisting in the transport of fat into the mitochondria where it is oxidized and converted into ATP (chemical energy for the cell). L-CARNITINE POWER™ is highly bioavailable which helps to maintain healthy cellular energy metabolism. L-Carnitine is found primarily in red meats which means vegetarians may need to supplement it to ensure healthy levels in their bodies. SAN's L-CARNITINE POWER™ is manufactured in a laboratory via synthesis and thus considered ideal for vegetarians due to the absence of any animal sources or by-products.*

SAN products are manufactured under GMP (Good Manufacturing Practices) standards with stringent quality control guidelines. Additionally, each lot produced by SAN is independently tested for purity and potency by HPLC analysis to ensure only the highest quality ingredients in our innovative formulas.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
