

RECOMMENDED USE: Take 1 capsule once daily with a meal. Consume with at least 8-10 oz. of water.

STORAGE INSTRUCTIONS: Protect from heat, freezing, and humidity (above 65%). Keep container tightly closed when not in use. Keep out of reach of children.

DESCRIPTION: The liver is one of the human body's most crucial organs as it processes and disposes nearly every toxin, chemical and contaminant that enters it. In many instances the demand on the liver can increase dramatically depending on alcohol or ammonia intake. As a serious minded athlete you train harder and thus your demands on the liver increase proportionally. At some point, your performance and endurance might hit a plateau. Protect your results and recover with SAN's **LIVER SUPPORT FORMULA™** today. This unparalleled formula was specifically designed to support healthy liver performance.*

SAN products are manufactured under GMP (Good Manufacturing Practices) standards with stringent quality control guidelines. Additionally, each lot produced by SAN is independently tested for purity and potency by HPLC analysis to ensure only the highest quality ingredients in our innovative formulas.*
