

**RECOMMENDED USE:** As a dietary supplement, take 1-3 softgels daily with your meals.

**STORAGE INSTRUCTIONS:** Protect from heat and freezing. Keep away from local space heat sources such as space heaters and radiators. Do not expose to direct sunlight or leave in vehicle exposed to sunlight. Do not allow exposure to high humidity (above 65%). Keep container tightly closed when not in use.

**DESCRIPTION:** **OMEGA FLAX OIL™** provides the perfect ratio of all three Omega (3, 6, 9's) fatty acids. As many of you know, Omega-3 is the king of EFAs, mostly because our diets have become so low in this crucial lipid, and the only way to maintain this nutrient is through dietary intake or copious amounts of fish ingestion on a daily basis.

As with anything in life, balance is the key, and the proper ratio of Omega-3 with Omega-6 and Omega-9 delivers optimal health benefits. This is why **OMEGA FLAX OIL™** provides the ultimate blend of Omega-3, 6, and 9 fatty acids, all from the single, natural 1 source of pure, unrefined and **ORGANIC** flax seed oil. **OMEGA FLAX OIL™** is cold-pressed in our advanced, oxygen-free and low-light facilities to ensure the purest form of unrefined Omega fatty acids available. **OMEGA FLAX OIL™** is the perfect all-in-one source of ultra-pure EFAs.\*

SAN products are manufactured under GMP (Good Manufacturing Practices) standards with stringent quality control guidelines. Additionally, each lot produced for SAN is independently tested for purity and potency by HPLC analysis to ensure only the highest quality ingredients in our innovative formulas.\*
