

RECOMMENDED USE: Take 1 softgel daily with a meal or as directed by your health care provider.

STORAGE INSTRUCTIONS: Protect from heat and freezing. Keep away from local space heat sources such as space heaters and radiators. Do not expose to direct sunlight or leave in vehicle exposed to sunlight. Do not allow exposure to high humidity (above 65%). Keep container tightly closed when not in use.

DESCRIPTION: SAN's Vitamin D3 softgels supply recommended levels of this key vitamin in a highly-absorbable liquid softgel form. Vitamin D is normally obtained from the diet or produced by the skin from the ultraviolet energy of the sun. However, it is not abundant in food. As more people avoid sun exposure, Vitamin D supplementation becomes even more necessary to ensure that your body receives an adequate supply.

SAN products are manufactured under GMP (Good Manufacturing Practices) standards with stringent quality control guidelines. Additionally, each lot produced by SAN is independently tested for purity and potency by HPLC analysis to ensure only the highest quality ingredients in our innovative formulas.*
