

RECOMMENDED USE: Take 1 capsule with water or your favorite beverage on an empty stomach. To maximize results, drink at least 48-64 oz. of water daily while using this product.

WARNINGS: Under no circumstance exceed dosage recommendations (no more than 1 capsule per 24 hour period) and never consume Yohimbine with Nitroglycerin or any other prescription medications (for heart Conditions or other Health Problems) without consulting a physician first. **KEEP OUT OF REACH OF CHILDREN.** Not for use by individuals under the age of 18 or elderly. Consult a physician before using this or any dietary supplement. Do not use if pregnant, nursing or chronically ill. This product is not intended for individuals who are at risk or have been treated for digestive disorders, high blood pressure, heart disease, thyroid disease, depression or other psychiatric conditions, reoccurring headaches, spasms, has asthma or taking asthma medication. Do not use with alcohol or anti-depressants or MAO inhibitors.

STORAGE INSTRUCTIONS: Protect from heat, freezing or humidity (above 85%). Keep container tightly closed when not in use. Keep out of the reach of children.

DESCRIPTION: Yohimbine HCl may support a sense of well-being and mood while inhibiting appetite* in its raw herbal form, yohimbe has been used for centuries as a natural aphrodisiac and blood flow enhancer.* However, it wasn't until very recently that the more bioavailable and purified form of yohimbe – Yohimbine HCL – became available* Biochemically speaking, Yohimbe is known as an Alpha 2 Receptor Antagonist. When Alpha 2 receptors are blocked effectively, free fatty acids are released into general circulation where they are eventually burned off as energy.*

SAN products are manufactured under GMP (Good Manufacturing Practices) standards with stringent quality control guidelines. Additionally, each lot produced by SAN is independently tested for purity and potency by HPLC analysis to ensure only the highest quality ingredients in our innovative formulas.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
