

Mushrooms continue to grow in popularity with increasing annual consumption and awareness of the many health benefits associated with mushrooms. Our **Myco Ultra** contains a certified organic mushroom mycelial biomass blend in a vegetarian capsule to provide a full range of the most popular mushrooms to allow broad spectrum defense. This easy to take capsule may be especially helpful during seasonal changes. Each mushroom species has its own natural variation of defense supporting polysaccharides such as beta-glucans. Our unique blend of 8 powerful mushrooms insures completely natural support.
