

Helps Reduce the Risk of Osteoporosis

OsteoMatrix dietary supplement is a unique bone health formula that helps build bone density in the young and minimize bone loss as you age. Along with regular exercise and a healthy diet, adequate calcium and vitamin D intake throughout life may reduce the risk of osteoporosis. It also helps retain normal blood pressure and reduce symptoms of PMS. The small, coated caplets are easy to swallow.

More than Just Calcium

Bone health is associated with optimum intake of not just calcium, but a host of other critical nutrients, including magnesium, and vitamins D and K. OsteoMatrix provides a unique matrix of critical nutrients needed in combination with calcium to build and maintain strong bones.

Gluten free. No artificial flavors, sweeteners, or preservatives added. Contains vitamin K.

Bottle has printed seal under cap for your protection.
