

THIS IS THE FUTURE...

BCAA HYPERBLEND

Top Secret Nutrition's BCAA Hyperblend combines the power of branched-chain amino acids with ingredients designed to promote anabolic activity and enhance absorption to create an incredible one of a kind BCAA supplement.

Branched-Chain Amino Acids*

Of the 20 amino acids that help build protein, nine of these cannot be synthesized in the human body. These nine compounds are referred to as essential amino acids because they must be consumed through food or supplements. Three of these essential amino acids - leucine, isoleucine, and valine - are branched-chain amino acids, or BCAAs. Unlike the other amino acids, BCAA's are metabolized in muscle rather than in the liver, which means that they play a critical role in muscle development because they reach muscle tissue faster.

The BCAA Hyperblend team:

BCAA Blend - 3:1:1 ratio of leucine (clinically studied 1.8 grams) to isoleucine and valine.

Anabolic Power Blend* - We have included Ursolic Acid and Brassinolide to enhance the anabolic and muscle protein synthesis stimulating effect of BCAAs.

Absorption and Effectiveness Blend* - Astravar™ and BioPerine® help enhance the absorption of the other powerful ingredients. BCAA hyperblend for:

- Enhanced muscle protein synthesis
- Improved muscle recovery
- Reduced muscle soreness
- Increased fat oxidation

Supplement Facts

Serving Size: 4 Capsules

Servings Per Container: 30

	Amount Per Serving	% Daily Value*
Vitamin B6 (as Pyridoxine HCL)	5 mg	250%
L-Leucine	1,800 mg	†
PROPRIETARY ANABOLIC & RAPID ABSORPTION BLEND	1,253 mg	†
L-Isoleucine, L-Valine, Rhodiola rosea 3% Rosavins, Rosemary Standardized to 25% Ursolic Acid, Astravar™ (AstraGin™ (Panax notoginseng and Astragalus membranaceus (Root) Extract)), BioPerine® (Piper nigrum), Brassinolide (Brassica campestris) Extract.		

*Percent Daily Values (DV) are based on a 2000 calorie diet.

† Daily value not established.

OTHER INGREDIENTS: Gelatin, Microcrystalline Cellulose, Magnesium Stearate, Silicon Dioxide.

DIRECTIONS: For best results take 4 capsules anytime you want to enhance protein synthesis.

WARNING: KEEP OUT OF REACH OF CHILDREN. Use this product as a dietary supplement only. Do not use if you are pregnant or nursing or if you have any medical condition. Do not use if seal or package is broken. Store in a cool, dry place. Consult your physician prior to use if you have any medical condition.

BioPerine® is a trademark of Sabinsa Corporation.

AstraGin™ is a Trademark of NuLiv Science.
