

Containing some of the world's most researched immune health ingredients, Immuno Complex can be taken at the first sign of feeling "off" or once immune challenges are underway. This formula:

- Significantly improves immune response, with AHCC, a medicinal mushroom extract, and AP-Bio, a proprietary extract of andrographis.\*
- Provides highly absorbable forms of vitamins and minerals necessary for healthy immunity but frequently deficient in the diet.\*

AHCC® is a trademark of Amino Up. AP-Bio™ is a trademark of Natural Remedies. PureWay-C is a registered trademark of Innovation Laboratories, Inc.
