

Poor blood circulation, cell oxidation, and increased tissue inflammation are three of the major sources of aging. **Oligonol®** is uniquely effective since it addresses all three of these causes.* Human studies show that Oligonol promotes circulation, acts as a potent antioxidant (6,900 ORAC), and supports a healthy response to inflammation:

- **Decreases skin wrinkles & brown spots***
- **Increases endurance & lessens fatigue***
- **Reduces visceral (belly) fat***
- **Supports cardiovascular health***

Derived from lychee fruit, Oligonol is the world's first low-molecular-weight polyphenol and winner of the prestigious Nutracon *Best New Ingredient* NutrAward.
