

Did you know?

Echinacea Goldenseal has been a common form of immune and mucous membrane support going back to early Native American use. Together, the two herbs can jump start your immune system and give your lungs and sinus function an extra boost.*

Let's get fresh. Open the bottle. What you smell is an amazing balance of wellness and sinus function support ready to stimulate the immune system. Freshly milled and processed in small batches for optimum potency.

Here's to your health!

Absolutely NO dairy, wheat, peanuts, soy, gluten or corn allergens.

CAUTION: Individuals sensitive to sesquiterpene lactone-containing plants in the Daisy family should use all Echinacea supplements with caution. Keep out of reach of children. If taking medication consult with a healthcare professional before use. Do not take if pregnant or nursing. Discontinue use if unusual symptoms occur.
