

Did you know?

Nursing moms know what's best, which is why they choose Fenugreek during the first stages of their child's life. Not only does Fenugreek support lactation, but it's also been traditionally used to help maintain digestive and respiratory health. Hey mom, we've got you covered.*

Let's get fresh. Open a bottle. What you smell is whole, organic, freshly powdered Fenugreek seed. Grown organically and prepared with love for optimum potency. **Here's to your health!**

Absolutely NO dairy, wheat, soy, gluten or corn allergens.

CAUTION: Do not take if sensitive to peanuts or chickpeas. Keep out of reach of children. If taking medication consult with a healthcare professional before use. Do not take if pregnant. Discontinue use if unusual symptoms occur.
