

Did you know?

Feverfew has a long and colorful history dating back to 70 AD, when the famous Greek physician Dioscorides noted he was a big fan of this herb. It's been researched and used ever since to help your body adjust to minor pain, especially in your head.*

Let's get fresh. Crack open a bottle and inhale. What you smell is fresh, whole organic Feverfew, freeze-dried to maintain active constituents. Grown organically on our farms and hand-harvested and prepared with love for optimum potency. **Here's to your health!**

Absolutely NO dairy, wheat, peanuts, soy, gluten or corn allergens.

CAUTION: Keep out of reach of children. If taking medication consult with a healthcare professional before use. Do not take if pregnant or nursing. Discontinue use if unusual symptoms occur.
