

Directions: As a dietary supplement, adults take one (1) vegetarian capsule, two (2) to six (6) times daily, on an empty stomach, between meals or, as directed by a health care professional.

L-arginine is best known for its support of the vascular system. L-arginine is a precursor for nitric oxide (NO), also known as endothelium-derived relaxation factor (EDRF), which causes vasodilation. In this role, L-arginine helps support healthy circulation.[†]

Store in a cool dry place. Do not refrigerate. Please recycle.

Do not use if safety seal under cap is broken or missing.

Keep out of reach of children.
