

Ultimate FloraMax™

Saccharomyces Boulardii is an advanced gastrointestinal support probiotic with 8 billion live cultures of *Saccharomyces boulardii* per capsule. This gut-friendly strain works quickly to help rebalance intestinal flora after it's been compromised, and has also been clinically shown to help alleviate occasional diarrhea.*

- Survives stomach acid
- Dairy and gluten free
- No artificial ingredients or colors
- Travel-friendly to help maintain healthy digestive balance*
- No refrigeration required

Natural Digestive Care

For nearly two decades, Advanced Naturals™ has been formulating superior-quality digestive care supplements to help people achieve optimal health from the inside out.
