

what are you **up4?**

If you are starting to encounter occasional digestive discomfort including gas and bloating, this is the product for you. As people enter their 50's, levels of some beneficial bacteria in our colon (*Bifidobacteria*) start to decline, leading to digestive discomfort. Replacing and replenishing this bacteria can help alleviate these symptoms.*

up4® Adult 50+ is specifically crafted with *Bifidobacteria* to counteract the depletion of this good bacteria in the colon to help alleviate occasional digestive discomfort including gas and bloating, while promoting colon health.*

Simple Goodness

up4® contains the simple goodness and purity of probiotics to naturally support your digestive and immune health.*

* While there are no dairy derived ingredients in the product, it is produced in a facility that also handles dairy ingredients.

PROBIOTIC SUPPLEMENT

Full Probiotic Support for Adults 50+

As we enter our 50's, levels of *Bifidobacteria* in the colon begin to decline. Depletion of this beneficial bacteria may lead to occasional digestive discomfort including gas and bloating. **up4® Adult 50+** is specifically formulated with high levels of *Bifidobacteria* to counteract the depletion of this good bacteria in the colon.*

Colon Health*

Features robust probiotic strains to help alleviate occasional digestive discomfort including gas and bloating, while promoting colon health.*

Digestive & Immune Support*

Features our trademarked superstrain *Lactobacillus acidophilus* DDS®-1, plus *Bifidobacterium lactis* UABla-12™ for full digestive and immune support.*
