

what are you **up4?**

If your lifestyle keeps you active and you find yourself tired and/or stressed after a full day, **up4® Sport** probiotics is the product for you.* While this stress builds muscle, endurance, and dedication, it can take a toll on your immune and digestive health. It is important to promote healthy immune and digestive function during times of increased physical activity to better provide support for your body.*

up4® Sport is crafted to enhance healthy immune and digestive function while helping to support your body during times of increased physical activity.*

Simple Goodness

up4® contains the simple goodness and purity of probiotics to naturally support your digestive and immune health.*

[†] While there are no dairy-derived ingredients in the product, it is produced in a facility that also handles dairy ingredients.
