

Did you know?

Not only does Maca grow at high elevation in the harsh climate of the Andes Mountains, it thrives there. Which may explain why it's been used to support overall health and improve stamina and vitality for thousands of years going back to pre-Incan times.*

Let's get fresh. Go ahead, crack open the bottle. That's whole, organic, fresh Maca you smell. Grown organically, responsibly sourced and processed in small batches with love for optimum potency. **Here's to your health!**

Does NOT contain dairy, wheat, peanuts, soy, gluten or corn allergens.

CAUTION: Keep out of reach of children. If taking medication consult with a healthcare professional before use. Do not take if pregnant or nursing. Discontinue use if unusual symptoms occur.
