Metabolism Support

DIETARY SUPPLEMENT
60 tablets

- Helps support metabolism¹
- Helps support thermogenesis^{**}
- In a clinical trial, 400 mg per day of Svetol[®] helped study participants manage their weight^{***}
- Svetol[®] has been shown to inhibit glucose-6-phosphate hydrolysis in intact human liver microsomes, which would be expected to lead to decreased hepatic glucose production[†]
- Svetol[®] is clinically studied to help support weight management^{***}

[†]Increasing thermogenesis may aid in weight management, although this has not definitively been shown.

^{**}Consumption of Svetol[®] induces a reduction of glucose absorption from the small intestine, which may help support weight management.

DIRECTIONS: Take 1 tablet twice daily with meals.

Supplement Facts

Serving Size 1 tablet
Servings Per Container 60
