

L-Carnitine **PLUS** Green Coffee Extract.

L-CARNITINE is a naturally occurring amino acid which plays a vital role in the metabolism of fat. It functions as a transporter of fatty acids into the mitochondria, the metabolic furnace of the cell. It has been established that an adequate supply of L-carnitine is necessary for the maintenance of good health and energy. L-carnitine transports long-chain fatty acids across the mitochondrial membrane to be metabolized. L-carnitine aids in the release of stored body fat, called triglycerides, into the bloodstream for energy.⁽¹⁾

GREEN COFFEE EXTRACT (GCA) – GCA is extracted from coffee beans that have not yet been roasted. There are two key compounds in unroasted coffee beans: caffeic acid and chlorogenic acid. The chlorogenic acid and caffeic acid in GCA have been clinically studied to have several beneficial effects on weight loss. Studies suggest that GCA is an effective nutraceutical in reducing weight in adults for the following reasons: Inhibition of fatty acid synthase, increased fat oxidation and increased metabolism.⁽¹⁾

L-Carnitine Plus GREEN COFFEE EXTRACT

Unique Fat Burning Formula*

- Supports Body Fat Reduction
- Stimulates Fat Metabolism
- Improves Nitric Oxide Bioavailability
- Boosts Energy
- Supports Healthy After-meal Glucose Levels

Veggie Capsules

800MG OF GREEN COFFEE EXTRACT*

DIETARY
SUPPLEMENT

60 Capsules

Supplement Facts

Serving Size 2 Capsules
Servings Per Container 30

	Amount Per Serving	% Daily Value**
Green Coffee (Coffea robusta)(Bean)	800 mg	†
L-Carnitine Base	500 mg	†

† Daily Value Not Established.

** Percent Daily Values are based on a 2000 calorie diet.

OTHER INGREDIENTS: Hypromellose, Microcrystalline Cellulose, Magnesium Stearate, Silicon Dioxide.

DIRECTIONS: Take two (2) capsules before meals or as recommended by a healthcare practitioner

WARNINGS: KEEP OUT OF THE REACH OF CHILDREN. Not for use by individuals under the age of 18. Do not use if pregnant or nursing. Do not exceed recommended dosage. Always consult a physician prior to using any dietary supplement.

ALLERGEN WARNING: This product was produced in a facility that may also process ingredients containing milk, egg, soybeans, fish, shellfish, tree nuts, and peanuts.

STORAGE CONDITIONS: Store in a cool dry place.
