MUSCLE INFUSION is an advanced multi-protein formula supplying your muscles with 25 grams of high-quality protein per serving. Rather than just focusing on a single protein source MUSCLE INFUSION is packed with five different proteins. MUSCLE INFUSION is high in essential amino acids which are the true building blocks of muscle. It's a great glutamine source and with its naturally occurring high level of BCAAs it helps fuel muscle repair and growth. To support your quest for lean muscles, MUSCLE INFUSION is very low in fats. It tastes absolutely delicious and mixes easily with a spoon.†
