

E3 Triple Intensity: Enhancement. Endurance. Energy.

E3 is a breakthrough men's supplement with a trifecta of Enhancement, Endurance and Energy. Doctor-formulated with L-Citrulline, a potent precursor of L-Arginine, for a surge of erection intensity, endurance, stamina, and energy. Get the pleasure you deserve when and where you need it.*

Directions: For adult men only. Take one tablet daily, prior to sexual activity.

Warning: Do not take Enzyte 3 if your physician has advised you to avoid caffeine. Enzyte 3 is not intended for those with a serious medical condition or pregnant or nursing women. Individuals with high blood pressure should consult their physician prior to use. Enzyte is not a contraceptive nor will it prevent sexually transmitted diseases.

Caution: ‡ Transient flushing and feeling of warmth might be associated with the ingestion of niacin-containing products.
