

- Elderberry provides powerful anthocyanins for a strong immune response.
- Powerful nutrients to maintain a strong immune system.
- Zinc supports immune activity of the thymus gland.
- Elderberry has been clinically studied at 600-900 mg daily to support a strong immune system.*

Recommendations: 1 tablet daily.
If additional support is needed may increase to 3-6 times daily, for up to 7 days.

If pregnant or nursing, consult a healthcare practitioner before using.

NON-GMO

Powerful Ingredients

Serious Support

Meaningful Levels

ViraPro™ features clinically studied Haschberg Austrian Elderberry, freeze-dried to preserve all the beneficial nutrients from the entire berry, along with important immune system vitamins and minerals.*

Feel the ViraPro™ Difference!

ViraPro™ provides key immune vitamins and minerals well known for their effectiveness, along with clinically studied, standardized, freeze-dried elderberry extract to support a healthy immune system.*

Clinically Studied Elderberry

Freeze-dried and standardized for anthocyanins, which support a strong immune response.*

Vitamin A

For healthy immune system function, retinyl acetate is superior to beta carotene.*

Vitamin C

This essential nutrient is well known for immune benefits throughout the body.*

Vitamin D

Research suggests that people with sufficient vitamin D levels have more robust immune systems.*

Zinc

Supports the immune activity of the thymus gland, the master gland of the immune system.*
