

Nättovita™ is a doctor recommended product specifically formulated for total cardiovascular wellbeing.† Nättovita™'s proprietary blend of ingredients include CoQ10, a powerful antioxidant that helps maintain proper heart function and assists the body in fighting the accumulation of harmful free-radicals.†

Nättovita™ utilizes Nattokinase as the main fibrinolytic enzyme which may help support natural blood thinning, aiding in the reduction of blood clotting ailments as well as other systemic enzymes which may help maintain desired blood viscosity, modulate the immune system and supports healthy vascular tissue.†

Nättovita™ is lactose free and contains no animal derivatives, artificial flavors or colors, yeast, gluten, or talc.

†These statements made herein have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent disease.
