

Warnings: This product is an extremely powerful dietary supplement intended for use by healthy adults between 18-50 years of age only. Not for use by individuals under the age of 18 years. Do not use this product if you are pregnant, nursing, prone to dehydration, or exposed to excessive heat. Consult a physician before using this product if you have, or have a family history of, including but not limited to, high or low blood pressure, stroke, cardiac arrhythmia, heart, liver, kidney, or thyroid disease, recurrent headaches, anxiety, nervousness, depression, seizure disorder, psychiatric or epileptic disorders, diabetes, anemia, difficulty urinating, enlarged prostate or glaucoma. Seek advice from a medical doctor if you are unaware of your current health status. Do not use this product if you are taking any medications, including, but not limited to, MAO inhibitors, SSR inhibitors, antidepressants, anti-inflammatory drugs, aspirin, or products containing caffeine, synephrine, phenylephrine, ephedrine, pseudoephedrine, or any other known stimulants. Do not exceed the recommended serving. Exceeding the recommended serving may cause serious adverse health effects. Discontinue use and call a physician or qualified healthcare professional immediately if you experience chest pain, severe headache, shortness of breath, dizziness, irregular heartbeat, or other similar symptoms. Use no longer than 10-weeks continuously followed by a 3-week break. Discontinue use 2-weeks prior to surgery. Do not use if inner seal is broken or missing. Use only as directed. Keep out of reach of children.

Athletic Notice: This product may contain ingredients banned by certain sports organizations. Do not use if subject to testing.

Ingredient Notice: The Forskolin in this product may cause GI distress in some individuals, which typically subsides after several days of continued use.

Storage: Store in a cool dry place away from light.
