

AminoLinx™ BCAA/EAA Matrix

We are all "elite" athletes aren't we? Whether you are flipping tires and ropes, flipping other athletes, or moving heaps of steel, we all need a product that not only fuels our physical challenge of choice, but preserves the very muscle we look to develop. AminoLinx™ BCAA/EAA Matrix was formulated as the answer to the calling for a product that not only powers you through exercise **STIMULANT-FREE**, but aids in muscle tissue preservation and hydration. Infused with electrolytes for essential hydration, **Beta Alanine & Agmatine Sulfate** for optimal performance, AminoLinx™ is a "one-stop shop" for "elite" athletes that expect nothing less from a ProSupps product.*

• Contains Electrolytes & B Vitamin complex for hydration+

• Contains Beta Alanine & Citrulline Malate for endurance and to combat muscle fatigue+

• Contains Agmatine Sulfate for increased blood flow & the rapid transport of nutrients into muscle cells+

• Contains Glutamine Peptides for Ultra Fast absorption & recovery+
