

Directions: As a dietary supplement, take one vegetarian softgel daily, preferably with a meal or as directed by a healthcare practitioner.

Bluebonnet's Early Promise Prenatal® Gentle DHA 200 mg Vegetarian Softgels contain *life'sDHA™*, a vegetable-based docosahexaenoic acid (DHA) in a natural triglyceride form derived from marine algae. *Life'sDHA™* is the perfect complement to any woman's diet during pregnancy and/or lactation. Available in easy-to-swallow vegetarian softgels for a truly vegetarian formula from the inside out.
