This product uses high quality, purified fish oil that has been tested for mercury and PCBs.

Processed in a facility with products that contain egg, fish, shellfish, soy and tree nuts.
Take only as directed. Do not exceed suggested dosage. If your child has a medical condition or is on medication, please consult a physician before using this product. Not recommended for children under two years of age due to choking. Do not use if inner seal is broken or missing. This product may settle during shipping. Product can be stored at room temperature, best if refrigerated after opening. Colors will darken over time. This does not alter the potency of the product.
