DIETARY SUPPLEMENT

Curamin® Enhanced Whey Protein
—Multipurpose Protein For Every BodyCuramin® is an award-winning supplement for safe and effective pain relief.^{††}

Curamin® Enhanced Whey Protein combines Curamin with a blend of the concentrate and isolate forms of whey protein that contain the branched chain amino acids (BCAA) you need for superior muscle benefits. Whey concentrate metabolizes slowly for sustained benefits and satiation; whey isolate digests quickly for faster absorption and recovery. **Curamin® Enhanced Whey Protein** delivers the fuel you need for an active life!^{*}

Pain Relief^{††} - Contains superior absorption, clinically studied curcumin and boswellia, along with DLPA and ginger for pain relief.^{*}

Weight Management[™] - Supports lean muscle mass, helps burn calories more efficiently, and supports satiation so you feel full longer.^{*}

Exercise Recovery - Feel better, faster, so you can spend more time being active and less time recovering.^{*}

Sports Performance - Easily utilized protein for energy and stamina, with amino acids to help boost strength and muscle gain.^{*}

Promotes Muscle Gain - Whey protein provides powerful building blocks for muscle strength.^{*}

Prevents Muscle Loss - Maintains proper muscle tone and helps prevent muscle tissue loss due to aging or inactivity.^{*}

Builds Bones - Adequate calcium as part of a healthy diet, along with physical activity, may reduce the risk of osteoporosis in later life.^{*}

Directions For Use: Mix contents in your favorite beverage or stir into food.
