You Need Relief.
Curamin® Extra Strength + Caffeine Delivers.

The award-winning Curamin family of products are tried and trusted for exceptional pain relief.*† Caffeine is well-known for its ability to relieve pain, support blood vessel health, and trigger receptors in the body that provide consistent benefits.*†

Curamin Extra Strength + Caffeine combines the most clinically studied enhanced absorption curcumin in the world, uniquely standardized boswellia, the amino acid DLPA, and the enzyme nattokinase, with the power of caffeine—about the same amount you'd get in one and one half cups of coffee. Curamin Extra Strength + Caffeine is a pain-relieving formula for those individuals seeking the trusted ingredients from Curamin with the enhancement that caffeine can offer.*†

My Promise to You

Our products are inspired by my dedication to natural health and passion to make your life better. Another addition to our growing Curamin® family of pain relieving products, **Curamin Extra Strength + Caffeine** targets those people for whom caffeine provides additional benefits.*† Its primary ingredient is enhanced absorption curcumin with turmerones (turmeric essential oil), which has been the subject of 30 published clinical studies. It is the most clinically studied, enhanced absorption curcumin in the world.

My mission is to provide you with products that deliver results you can depend on. If you don't get the benefits you expect, I offer you an unconditional money-back guarantee.
