Store at room temperature

REV 0810

WARNING: Accidental overdose of iron containing supplements is a leading cause of fatal poisoning in children under 6. **KEEP THIS PRODUCT OUT OF REACH OF CHILDREN.**

In case of accidental overdose, seek professional assistance or contact a poison control center immediately.

WARNINGS: The treatment of any anemic condition should be under the advice and supervision of a physician. Since oral iron products interfere with the absorption of oral tetracycline antibiotics, these products should not be taken within two hours of each other.

As with any supplement, if you are pregnant, nursing, or taking medication, ask a health professional before use.

This product may occasionally cause constipation, diarrhea, or may color stool black. It may cause gastrointestinal discomfort (such as nausea) which may be minimized by taking with meals.
