

Clinical studies have shown that Psyllium Husk Powder, which is an excellent bulking agent, helps sweep away unwanted substances in the alimentary canal.* Arise & Shine's Cleanse programs use Bentonite that, when combined with Psyllium, becomes a "cleansing shake." When used in conjunction with Chomper® and Herbal Nutrition, Psyllium, plus Bentonite, becomes very useful in helping the body remove unwanted substances.*

Suggested Intake: Mix 2 level teaspoons with 10 ounces of cool water or your favorite juice. Shake well and drink quickly. Always follow with an additional 10 ounces of water immediately afterwards. Please refer to our Cleanse Guide when using this product as part of your Cleanse or use as directed by your health care practitioner.

Storage Recommendations: Keep cool, dry and tightly sealed. Do not refrigerate.
